A diagram of a basketball court. A player, labeled '1' in a circle, is at the bottom right, shooting a ball labeled '5'. The ball is on a trajectory towards the basket, with a green wavy arrow labeled 'reject' and 'x1' indicating its path. The court is divided into three numbered regions: '3' at the top left, '2' at the top right, and '4' on the left side. The basket is at the top center.

A diagram of a basketball shot. A player is shown in a crouched position, labeled with a circled '1'. A dashed line indicates the ball's path from the player's hands, labeled 'Roll', to the basket. A solid line indicates the ball's path from the basket, labeled 'Pop', to the hoop. The basket is labeled '3' and the hoop is labeled '2'. The ball is labeled '4' and the player's hands are labeled '5'.

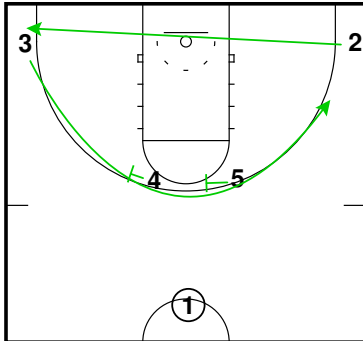

A diagram of a robot in a U-shaped environment. The robot is at the top center, facing right. A green arrow points from the robot to point 1, which is labeled 'Reject'. A green dashed arrow points from the robot to point 4. A green box labeled 'EMPTY CORNER' is in the top right. Points 2, 3, 4, and 5 are marked on the left and bottom walls. A wavy line connects point 1 to point 5.

A diagram of a car seat with numbered callouts 1-5 and an 'EMPTY CORNER' label. Callout 1 points to the seat base, 2 to the upper backrest, 3 to the lower backrest, 4 to the seat cushion, and 5 to the seat base. The 'EMPTY CORNER' label is in a green box pointing to the upper backrest area.
